RULE CHANGE

13. LONG COURSE/ENDURO

(g)

At some times in certain events, whether by plan or necessity, competing cars may be placed in Parc Ferme'. This may be a rest period to close up the race field or as a result of a total race stoppage/red flag. In the event of a red flag /restart, the time period from the red flag to the restart will be classed Parc Ferme'. During this time there is to be no maintenance, repairs or re-fuelling to be carried out on any competitor's race vehicle or safety equipment.
