URGENT BULLETIN

4th October 2021

ORANZ NATIONAL SERIES FINAL

Following the announcement today by the NZ government, the upcoming ORANZ National series final has been cancelled. Unfortunately, this cannot go ahead with the current COVID levels across the country.

We are sad to have to make this announcement and want to thank the Otago Off Road Club for all the hard work they have done over many weekends, to prepare for this event.

Let's hope we have better luck in 2022.

Kind regards,

ORANZ Executive Team
